As the most diverse campus, BC Dining prioritizes cultivating a sense of inclusion as a crucial part of our campus and within the department. This includes our focus on equitable employment, celebrating food heritage and culture, and creating a family with that supports the well-being of our employees and the community. As a part of our sustainable FRESH program, we are committed to increasing our partnerships with fair, equitable, women-owned, minority-owned, and locally-owned businesses.

Boston College by far has been my second home. I was warmly welcomed. My uncle brought me to Boston College and it was a very beautiful family atmosphere. It continues to be a great place.
